

# M2/3 Dock

## FROM FIELD TO DESKTOP, YOUR OFFICE ANYWHERE.

With the M2/3 Dock, moving from field to office is a breeze. The docking station makes it easy to charge the Mesa, connect to an Ethernet network, and even use the tablet with an external monitor, keyboard, and mouse—just like a desktop. When you're ready to collect data again, simply disconnect the Mesa and head out into the field.

Designed and assembled in the United States, the Mesa Rugged Tablet provides its users with the ultimate data collection experience – wherever the job takes them. From its powerful processor to its all-day battery life to its ultra-rugged design, the Mesa 3 claims best-in-class features for anyone requiring a rugged device for mobile data collection.
